I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on May 13, 1957; that it truly and correctly represents the location and extent of the works used to divert water from underground, in Douglas County, by San Leandro Rock Co., for industrial and domestic purposes. The proposed point of diversion, the location of the plant, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
