I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of June, 1957; that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source in Douglas County, Nevada, by Fred A. Deyo, for irrigation and domestic purposes. That the proposed point of diversion, the place and manner of use, and the boundary of all the lands, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar
