

I, L.M. Bobeau, Water Rights Surveyor for the State of Nevada, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 4th day of June 1957; that it truly and correctly represents the location and extent of the proposed works used to divert water from underground sources for mining and domestic purposes. That the proposed point of diversion, the approximate location of the diversion channel or other conduits, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

L.M. Bobeau
