I, W.H. Settelmeyer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of August, 1956; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Elko County, by D.M. Jewell for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

W.H. Settelmeyer
