I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on September 26, 1957; that it truly and correctly represents the proposed location and extent of the works used to divert water from An Underground Source in Lyon County, Nevada, by Richard Dean Lance for irrigation and domestic purposes. That the proposed point of diversion, the proposed works, and the boundary of all lands, showing by 40-Acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 4th day of November, 1957.
