 I, W.H. Settelmeyer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field note of a survey made under my supervision and direction on the 10th day of May, 1958; that it truly and correctly represents the location and extent of the works used to divert water from an underground source, in Eureka County, by Campbell Dunphy Ranch, for irrigation and domestic purposes. That the point of diversion, the approximate location and size of the diverting channel or conduit, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

W.H. Settelmeyer
 State Water Right Surveyor.

Subscribed and sworn to before me this 19th day of May, 1958.
