

STATE OF NEVADA }
 COUNTY OF ORMSBY } SS.

I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on August 14, 1958; that it truly and correctly represents the proposed location and extent of the works used to divert water from An Underground Source, in Douglas County, Nevada, by Lemuel W. Thompson, for irrigation and domestic purposes. That the proposed point of diversion, and the boundary of all lands, showing by forty acre subdivisions the areas that are to be irrigated, are fully and correctly designated thereon.

J. A. Millar

State Water Right Surveyor.

Subscribed and sworn to before me this 22nd day of August, 1958.

Mrs. Hilda Sherwood

Notary Public in and for Ormsby County, Nevada.

* Commission Expires July 1, 1961

Note :- The Range Corner is identified by means of a pile of rock and a metal plate with the Township, Range, and Sections stamped on its surface by dies and nailed to a Juniper Post. The 1/4 Corner is identified by means of a pile of rock and a Juniper Post.
