I, L.M. Bobeau, Water Rights Surveyor for the State of Nevada being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 10th day of April 1959; and that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source for irrigation and ~~domestic~~ purposes. That the proposed point of diversion, the approximate location of the diversion channel or other conduits, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.

L. M. Bobeau
State Water Rights Surveyor.

Subscribed and sworn to before me this 21st day of April 1959.

I, L. M. Bobeau a State of Nevada Water Rights Surveyor, being first duly sworn, depose and say that this map consisting of two sheets has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of February, 1966. That it truly and correctly represents the location and extent of the works used to divert water from underground sources, in Nye County, for irrigation and domestic purposes under applications No. 17835, 17836 and No. 17951 That the point of diversion, the location and size of the ditches, the extent of lands owned or controlled by the applicant upon water applied for under applications No. 17835, 17836 and No. 17951 is used together with the area and kind of culture in each 40 acre subdivision, and the locations and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

L. M. Bobeau
State Water Rights Surveyor.
