

STATE OF NEVADA
County of Ormsby

I, WILLIAM A. REINKEN being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 26th day of December, 1958: that it truly represents the proposed location and extent of the works used to divert water from underground sources in Ormsby County, by NEVADA NATIONAL GUARD-OFFICE OF THE ADJUTANT GENERAL for military and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting pipes and pumps, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands are full and correctly designated thereon.
