

Note: Bearings are true astronomic, based on a series of solar observations at Sta. 18, Pierson Gap Traverse.

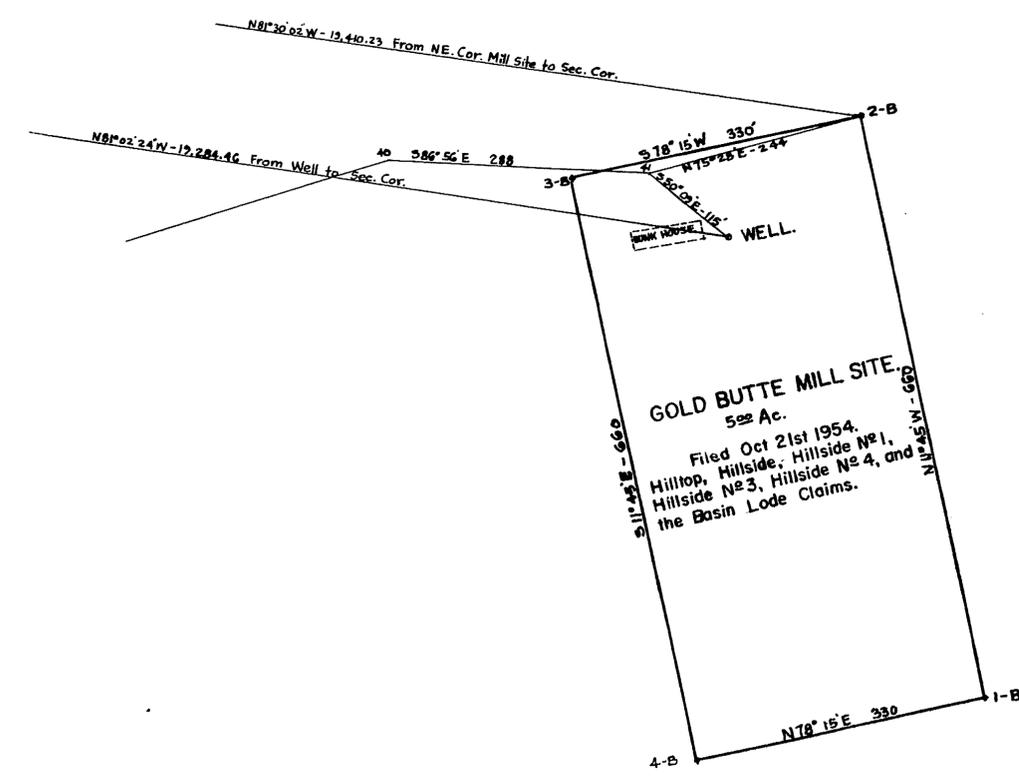

STATE OF NEVADA, ss.
 COUNTY OF CLARK.

I, L. M. Bobeau, Water Rights Surveyor for the State of Nevada being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 6th day of June 1959; and that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source for mining and domestic purposes. That the proposed point of diversion, the approximate location of the diversion channel or other conduits, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.

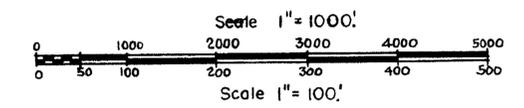

L. M. Bobeau
 State Water Rights Surveyor.

Subscribed and sworn to before me this 1st day of July 1959.
Lillian T. Bobeau
 Notary Public in and for Clark County Nevada.
 My commission expires May 10th 1964.

Scale, 1" = 1000'

Scale, 1" = 100'
