

Basis of Bearings
Centerline of Section 18

○ Corners found

State of Nevada }
County of White Pine } ss.

I, J.V. Caselli, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 12th day of October and the 13th day of October, 1959; that it truly and correctly represents the location and extent of the proposed works used to divert water from Underground Source, in Eureka County, by Paul P. Conlan et al., for Stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.

J.V. Caselli
STATE WATER RIGHT SURVEYOR
