 County of White Pine }

I, J.V. Coselli, being first duly sworn, depose and say that this map consisting of one sheet, has been drawn to the designated scale from field notes of a survey made by me between the 7th day of November, and the 8th day of November, 1959, that it truly and correctly represents the location and extent of the proposed works used to divert water from Violet Springs, in White Pine County, by Mrs. Hazel Green, for Mining and Domestic use. That the proposed point of diversion and return, the location of the storage tank, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
