COUNTY OF ORMSBY } SS.

I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on November 19, 1959; that it truly and correctly represents the proposed location and extent of the works used to divert water from An Unnamed Spring in Lyon County, Nevada, by Henry C. and Leona A. Graton for irrigation purposes. That the proposed point of diversion, and the boundary of all lands, showing by forty-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar
