

STATE OF NEVADA SS  
 COUNTY OF ORMSBY

I, JAMES D. WALLACE, JR., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 19th day of December, 1959; that it truly and correctly represents the proposed location and extent of the work used to divert water from an underground source, in Douglas County, by N. L. GOERINGER, for quasi-municipal (resort) and domestic purposes.

That the proposed point of diversion and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
