

STATE OF NEVADA S.S.
County of White Pine

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 8th and 10th days of July, 1960, that it truly and correctly represents the change of the place of use appropriated under Permit 13217 - Certificate 3781 and Permit 13218 - Certificate 3782 to divert water from Kid and Sheep Springs, in White Pine County, by PESCIO BROS. for stockwatering purposes. That the existing point of diversion and place of use of the original permits, approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
