

STATE OF NEVADA SS:  
 COUNTY OF ORMSBY

I, Ernest E. Muller, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me from November 2nd. to November 5th., 1960; that it truly and correctly represents the location and extent of the proposed works used to divert water from underground sources in Nye County by FRANK FUNDA for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

*Ernest E. Muller*  
 State Water Right Surveyor

Subscribed and sworn to before me this 21st. day of November, 1960.

*J. Paul S. Stevens*  
 Notary Public in and for Ormsby County, Nevada  
 My commission expires February 15, 1961

Note: All found corners are standard  
 Brass Caps dated 1959.  
 Instrument declination on 17°50' E.
