

M.D. B. & M.

I, Ernest E. Muller, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th. day of June, 1960; that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source in Lyon County by Ira E. Bowdish for irrigation and domestic purposes. That the proposed point of diversion and the boundary of lands to be irrigated are fully and correctly shown thereon.
