PROPOSED POINT of USE (Troughs)
Trench 10' wide x 3' dp. x 80' lg. + 80' 11" pipe
Proposed Point of Diversion (Iron Barrel)
CALICO SPRING

STATE of NEVADA S.S.
County of White Pine

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by W. H. Settlemyer, a duly authorized State Water Right Surveyor on the 17th day of August, 1954; that it truly and correctly represents the location and extent of the proposed works used to divert water from CALICO SPRING, in White Pine County, by ALBERT ROMEO for stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.

Robert W. Millard
State Water Right Surveyor
Subscribed and sworn to before me this 20th day of January 1961

Margaret K. Hillard
Notary Public in and for White Pine County, Nev.
My commission expires Feb. 25, 1961.
