

Basis of Bearings
South line Sec.15

State of Nevada } ss.
County of White Pine }

I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of ... sheets, numbered from 1 to ... inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 25. day of ... June ... and the 26. day of ... June ... 1960; that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Source ... in Eureka ... County, by John W. Cooper ... for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

J.V. Caselli
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 25th day of July, 1960

I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet numbered from 1 to 0, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 11 day of Sept. and the 12 day of Sept., 1967, that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Source, in EUREKA County, by JOHN W. COOPER for irrigation purposes under Application 18999 & 21426. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application 18999-21426 is used together with the area and kind of culture in each 40 acre subdivision and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
