I, Jack Asher, being first duly sworn, do depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and completed August 23, 1960; that it correctly represents the proposed locations and extent of the works used to divert water from Las Vegas Artesian Basin, County of Clark, State of Nevada, by W. J. THOMPSON for Commercial Use (Warehouse and Offices); that the point of diversion, the approximate location and size of the diverting channel, reservoirs or basins, the location and name of all other works which will cross or connect with the proposed works are fully and correctly represented hereon.

Jack Asher
State Water-Right Surveyor
