I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of November, 1960; that it truly and correctly represents the proposed location and extent of the works used to divert water from An Underground Source, in Douglas County, Nevada, by James Thomas Jester, for irrigation and domestic purposes. That the proposed point of diversion, and the boundary of all lands, showing by forty-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
