

STATE OF NEVADA,
County of Lincoln } SS.

I, Charles E. Thompson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 2nd day of January, 1959, and the 17th day of January, 1959; that it truly and correctly represents the location and extent of the works used to divert water from an underground source, within the corporate limits of the City of Caliente in the County of Lincoln, State of Nevada, there to be used for municipal and domestic purposes. That the point of diversion, location and size of the water distribution system, storage facilities, location and extent of the lands controlled by the applicant for which the water applied for is to be used for municipal and domestic purposes, together with the area served by the water system of said applicant within the corporate limits of said City of Caliente in each 40-acre subdivision thereof, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

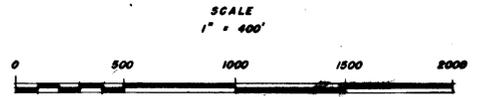

Charles E. Thompson
State Water Right Surveyor

Subscribed and sworn to before me this 20 day of August, 1959.

James P. Atkinson
Notary Public in and for Salt Lake County, Utah.
My Commission expires on the 20 day of Sept., 1959.
