I, E.P. Osgood, being first duly sworn, depose and say that this map consisting of 1 sheet has been correctly drawn to the designated scale from field notes of survey made by me between September 9 & September 19, 1961. That it truly and correctly represents the location and extent of the works used to divert water from underground sources in Humboldt County, Nevada by SOPHUS T. BLOHM for irrigation and domestic use.

That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams, which are crossed by or connected with the said works, are fully and correctly designated.

E. P. Osgood
State Water Right Surveyor
