NOTE: Acreage taken from cultural map on file under proof No. 00144 prepared by R.E. Tilden. From a personal observation of the area this map appeared to be substantially correct.

STATE OF NEVADA }
COUNTY OF ELKO } ss

I, W.H. Settelmeyer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 13th day of MARCH, 1961; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lander County by W.T. Jenkins Co. Inc. for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, and the names of all other works which will cross or connect with the proposed works, and the boundaries of all lands, shown by 40-acre subdivisions, the areas proposed to be irrigated, all fully and correctly designated thereon.

W.H. Settelmeyer
State Water Right Surveyor

Subscribed and sworn to before me
this 16th day of February, 1962.

Frank Wainwright
Notary Public in and for ELKO County, Nevada.
