

STATE OF NEVADA SS  
 COUNTY OF ORMSBY SS

I, FRANK E. CLOCK, being first duly sworn, depose and say that this map, consisting of one sheet, numbered one to one inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 30th day of April, 1959, and the 1st day of October, 1960; that it truly and correctly represents the location and extent of the works used to divert water from CEMETERY SPRING in Ormsby County by CEMETERY WATER CO for irrigation and domestic purposes. That the existing point of diversion and the boundary of all lands, showing by 40-acre subdivisions the areas of existing place of use, are fully and correctly designated thereon.
