STATE OF NEVADA }
 COUNTY OF ORMSBY } SS.

I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on July 17, 1961; that it truly and correctly represents the point of diversion and extent of the works used to divert water from an underground source, in Lyon County, Nevada, by E. R. and C. L. Smith, for irrigation purposes. That the proposed point of diversion, the size and location of the proposed sump, and the boundary of all lands, showing by forty-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar

Subscribed and sworn to before me this 21st day of July, 1961.
