I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 1st day of August, 1961; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County, by the Nevada State Park System for recreational (park water supply) purposes.
