I, Harry C. Hall, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of November, 1961; that it truly and correctly represents the location and extent of the proposed works used to divert water from underground sources for irrigation and domestic purposes. That the proposed point of diversion, the approximate location of the diversion channel or other conduits and the place and manner of use, and the location and names of all other works which are crossed by or connected with the said works are fully and correctly shown thereon.

Harry C. Hall
State Water Right Surveyor
