All eight corners, total of 84.49 Acres, were transferred to another location by Application No. 30748.

STATE OF NEVADA SS:  
COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 25th day of May, 1998; That it correctly represents the location and extent of the works used to divert water from an underground source in Pershing County for irrigation and domestic purposes under Permit No 20357, Certificate No 5860; that the existing Point of Diversion and the area to be stripped by transfer or relinquishment to a subdivision or to the State of Nevada is fully and correctly designated thereon.

Subscribed and sworn to before me on this 4th day of June, 1998.
