 COUNTY OF ELKO } s.s.

I, Mark Chilton, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 27th day of June 1962; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Elko county, by Joseph E. Sexton for Domestic and Irrigation purposes. That the point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works which are crossed by or connected with the said works, are fully and correctly designated thereon.
