

STATE OF NEVADA SS
COUNTY OF HUMBOLDT

I, William J. Newman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 18th day of April and the 18th day of May, 1962; that it truly and correctly represents the location and extent of the proposed works used to divert water from underground in Pershing County, by NEVADA LAND & IRRIGATION COMPANY, INC. for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting well, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

William J. Newman
State Water Right Surveyor
