I, Jack K. Leavitt, being first duly sworn, depose and say that this map, consisting of 1 sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 5<sup>th</sup> day of February, 1963; that it truly and correctly represents the location and extent of the works to be used to divert water from an underground source in the Las Vegas Artesian Basin, Clark County, Nevada, by Bunker Bros. Mortuary Inc., for Commercial (Mortuary) and domestic purposes under original application no. 10439 and new application no. 20898. That the original place of use applied for under application no. 10439 and the place of use applied for under application no. 20898 are both correctly designated hereon. The location, size of the diverting channel, location and description of all measuring devices, the location and extent of the lands owned or controlled by the applicant upon which water applied for under application no. 20898 is used and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
