

STATE OF NEVADA
County of White Pine

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 1st and 19th days of February, 1963 that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Sources in White Pine County, by

CECIL M. NEEL

for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 11th day of March, 1963

James R. Prince
Notary Public in and for White Pine County, Nevada
My commission expires February 2, 1966.

LEGEND:
■ - White 4" x 4" post, set by F.W.M. & S.

NOTE:
Land covered by this entry is somewhat uneven as shown by the ground contours. These contours are approximate only and indicate levels carried during subdivision retracement. Final method of gravity irrigation and land leveling are subject to direction and approval of the entryman.
F.W.M. & Son
