

STATE OF NEVADA }
 COUNTY OF ORMSBY } ss.

I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 29th day of November 1963; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Lyon County, by James R. and Carol R. O'Banion, for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
