COUNTY OF ORMSBY

I, Glen S. Stevens, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale by forces under my direction, from field notes of a survey made between the 19 day of March and the 21 day of March, 1963. That it truly and correctly represents the location and extent of the works to be used to divert water from underground sources in ELKO County by the Nevada State Highway Department for domestic purposes under application No. 21288. That the point of diversion, the location of the diverting device, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 21288 is to be used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed or connected with said works are fully and correctly designated thereon.
