I, PHILLIP B. McVEY, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between May 12 and May 14, 1965 and from information obtained from the 1943 U.S.G.L.O. plat of Township 21 South, Range 62 East, M.D. Mer, Nevada; that it truly and correctly represents the location and extent of the works used to divert effluent water from Clark County Sanitation Districts Nos. 1 and 2 in Clark County by the NEVADA POWER COMPANY for Industrial (Cooling) purposes that the point of diversion, the approximate location of the diverting pipes, all reservoirs or basins, the approximate location of all other works which cross or connect with the said works, and the boundary showing by 40 acre (or less) subdivisions of the areas used or benefitted are fully and correctly designated.
