

State of Nevada, ss.
County of Washoe

I, James N. Nelson, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 1st day of October and the 1st day of November, 1963; that it truly and correctly represents the proposed location and extent of the works used to divert underground water from a well in Washoe County by Amina Carmazzi Gardner for commercial and domestic purposes. That the proposed point of diversion, the location of an existing bar and proposed trailer court, the approximate size and capacity of the diverting conduit, all reservoirs or tanks and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

James N. Nelson
