

STATE OF NEVADA SS
 COUNTY OF HUMBOLDT

I, William J. Newman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 30th day of March, 1964; that it truly and correctly represents the location and extent of the proposed works used to divert water from Jackson Creek, in Humboldt County, by JACKSON MOUNTAIN MINING COMPANY for mining, milling and domestic purposes. That the proposed point of diversion, the location of the mill site, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

William J. Newman
 State Water Right Surveyor No. 285
