STATE OF NEVADA, SS.
 COUNTY OF WASHOE

I, James N. Nelson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 15th day of February and the 2nd day of March, 1964; that it truly and correctly represents the proposed location and extent of the works used to divert underground water from a well in Washoe County, by Cowles Bros., Inc., for irrigation and domestic purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
