STATE OF NEVADA SS
COUNTY OF WASHOE SS

I, Eugene C. Sprout, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 7th and the 15th days of May, 1964; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County, by Bill & Effie Enterprises, for Commercial (Service Station and Cafe) and Domestic purposes. That the proposed point of diversion, all reservoirs or basins, the location and names of all other works crossed by or connected with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
