STATE OF NEVADA)
County of White Pine) ss.

I, Robert W. Millard, being first duly sworn, deposes and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 10th and 15th days of July, 1964; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in White Pine County, by Suntide Petroleum Inc. for industrial purposes. That the proposed point of diversion and return, the location of the point of use, the approximate size and capacity of the diverting pipeline, and the location and nature of all other works or structures which are crossed by or connected with said works, are fully and correctly delineated hereon.
