

STATE OF NEVADA } ss
County of White Pine }

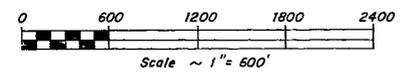

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 15th and 17th days of October, 1964 that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Sources in Pershing County, by Silver State Consolidated Mines Company for mining and milling purposes. That the proposed point of diversion and return, the location of the mine and mill, the approximate size and capacity of the diverting conduit and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

Robert W. Millard
State Water Right Surveyor
