

STATE OF NEVADA  
COUNTY OF NYE

SS

I, Harry H. Hughes, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 7th day of January and the 8th day of January, 1965; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Nye County by Dr Eugene G. McCarthy for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon

*Harry H. Hughes*  
State Water Right Surveyor

I, J.V. Caselli, being first duly sworn depose and say that this map consisting of 1 sheet, numbered from 0 to 1 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 5 day of August and the 6 day of August, 1971, that it, truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in NYE COUNTY by Dr. E. Mc. Carthery, for irrigation purposes, under Application No. 22274. That the point of diversion, the location, size of the diverting channel location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 22274 is used together with the area and kind of culture in each 40 acre subdivision and the location and names of all other works or stream which are crossed or connected with said works are fully and correctly designated thereon.

*J.V. Caselli*  
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 31st day of August, 1971.
