COUNTY OF Weber } SS.

I, Vernon A. Eaton, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the 3rd day of September, and the 9th day of September, 1964; that it truly and correctly represents the proposed location and extent of the works used to divert water from a WELL in CLARK County, NEVADA, by UNITED STATES FOREST SERVICE that the proposed point of diversion, the location of the intake structure, the approximate size and capacity of the conduit and names of all other works or streams which are crossed or connected with said works are fully and correctly designated hereon.

Vernon A. Eaton
(State Water Right Surveyor)
