

STATE OF NEVADA SS.
COUNTY OF WASHOE

I, James N. Nelson, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 10th day of December and the 12th day of December, 1964; that it truly and correctly represents the proposed location and extent of the works used to divert underground water from a well in Washoe County by Helen V Hawkins for domestic and stock watering purposes. That the proposed point of diversion and 150 gal storage tank are fully and correctly designated thereon.
