I, William J. Newman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 23rd day of April, and the 29th day of April, 1965; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Pershing County, by Great Western Land and Cattle Corp for irrigation and domestic purposes under Application and Permit Nos. 19865 and 19866 to accompany Proof of Beneficial Use and application to change place of use. That the point of diversion, the location, size of the diverting wells, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application and Permit Nos. 19865 and 19866 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
