I, J. V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 14 day of July, and the 15 day of July, 1965, that it truly and correctly represents the proposed location and extent of the works used to divert water from Undergound Source, in Lander County by J. B. Meyer, for irrigation purposes under Application N° ... & ... That the point of diversion, the location, size of the diverting channel, location and discription of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application N° ... & ... is used together with the area and kind of culture in each 40 acre subdivision and the location and names of all other works or streams which are crossed or connected with said works are fully and correctly designated thereon.
