I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the 6th day of January, and the 10th day of January, 1966, that it truly and correctly represents the proposed location and extent of the works used to divert water from Well Number VRM-1, VRM-2, and VRM-3 in Lyon County by Valley Ready Mix for washing sand and gravel and placer mining purposes. That the proposed point of diversion, the location of the plant, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

*Walter G. Reid*  
State Water Right Surveyor

Subscribed and sworn to before me
