I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 5 day of October and the 6 day of October, 1965, that it truly and correctly represents the location and extent of the works used to divert water from Underground Source, in Eureka County by Jake & Robert Wilson, for irrigation purposes. That all other works crossed or connected with said works, and the boundary, area, and kind of culture of land irrigated, are correctly designated thereon.
