

State of Nevada  
County of Washoe

I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 5 day of September & the 6 day of Sept 1966, and it truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in Eureka County by PAUL R. & HELEN CONLAN for Irrigation purposes. That all other works crossed or connected with said works, and the boundary, area, and kind of culture of land irrigated, are correctly shown & designated thereon.
